

Yorkton Paper Bag Players Presents

ALICE IN WONDERLAND

After Alice tumbles down a mysterious rabbit hole, she finds herself in a strange land where everyone is raving mad. With the help of a Cheshire Cat, an astute Caterpillar, and a righteous Humpty Dumpty, Alice must find her way home and discover who she really is. A darker, more faithful version of Lewis Carroll's classic tale that reimagines the experience of Wonderland, and ends with an unexpected new twist.

A MESSAGE FROM OUR DIRECTOR

Thank you for coming to "*Alice in Wonderland*"! It certainly has been a journey for me to direct such a huge adventure. I am so very proud of ALL the work done by the army of volunteers that it takes to create this kind of show. I could not have done this on my own and I thank you from the bottom of my heart!

As well, a special thank you to Carrie Pengilly and the SaskAbilities Theatre Troupe for making this production that much better!!

"Alice" has always been close to my heart, and I am very proud to be able to bring this to the audiences here in Yorkton and area. I hope you truly enjoy our adventure down the rabbit hole.
